

Dear _____

RE: _____ D.O.B. ____ / ____ /
REQUEST FOR INFORMATION TO SUPPORT APPLICATION FOR MEMBERSHIP

The Lorikeet is a community based psycho-social rehabilitation centre for people who have a diagnosed mental illness and is a service of the Mental Illness Fellowship of Western Australia. The service provides a variety of activities including training programs and recreation for the purpose of 'engaging' members to assist in their recovery journey. The organisation is funded by the Mental Health Commission and is a registered charity.

Your client has applied to become a member of Lorikeet and has tendered your name as a Health Professional we could contact for key information.

On condition that he/she satisfies our inclusion criteria he/she will be accepted into the program and an Individual Service Plan will be developed to enable staff to assist in achieving identified goals, ongoing rehabilitation and involvement in the community.

Enclosed is an 'Authority to Obtain and Disclose Information' form, which has been signed by the applicant, a 'Request for Information' form and a self-addressed envelope for your convenience. It would be greatly appreciated if you could return the form as soon as possible, so we can complete the application process and the person may start attending the Lorikeet Centre.

Many thanks with your assistance.

Please do not hesitate to contact me on 9237 8950, should you have any queries.

Yours sincerely,

Ernie Hansen
Service Co-ordinator
Lorikeet Centre
