

Do you know someone who should be recognised for their ***gentle leadership*** qualities?

Nominate someone (or yourself) for 2024!

## About the Glenn Pickett Sunflower Award

The Glenn Pickett Sunflower Award is an annual celebration of individuals who have demonstrated 'gentle leadership' qualities. It's awarded in the honour of Glenn Pickett, a Lorikeet member and MIFWA Board member who passed away in September 2019.

The Glenn Pickett Sunflower Award recognises and rewards the achievements of Lorikeet members and MIFWA employees as they embody MIFWA's values, including accountability, integrity, inclusion and acceptance, collaboration, and empowerment.
